ASSEMBLY

1. Arrange the body and head; glue under the chin.
2. Add arms, black hoof tips and boots.
3. Fit antlers and inner ears; draw two small eyes.
4. Add a small red pompom nose.
5. Glue the full silhouette to the back, trapping antler and boot ends neatly between layers.
6. Sew a locking brooch back firmly onto the backing.

Print 100% / Actual Size. Finished height approximately 13 cm, depending on placement.

New pattern based on the pictured craft; not sample-made. Arrange pieces before gluing.
