IMPORTANT TO READ

SIZE:

Jinjerup PDF Files are letter size (11" x 8.5"). Size of actual printed PDF Files may vary as they depend on your software and printer's settings, **remember to set the paper settings to letter size and use letter size paper stock.** The thicker the paper, the stronger the printable! Make sure the paper thickness you use, is suitable for your printer.

COLOR:

Color of actual printed PDF(s) may vary from photos of the printables shown as the color depends on your monitor, computer, and printer's settings, inks & paper stock. For optimal printing results, set printer settings to maximum (or best) quality, borderless printing (if possible) and print as many pages as you like! Works great with photo quality papers.
