

# Large Star Cutout Template - 1 per page

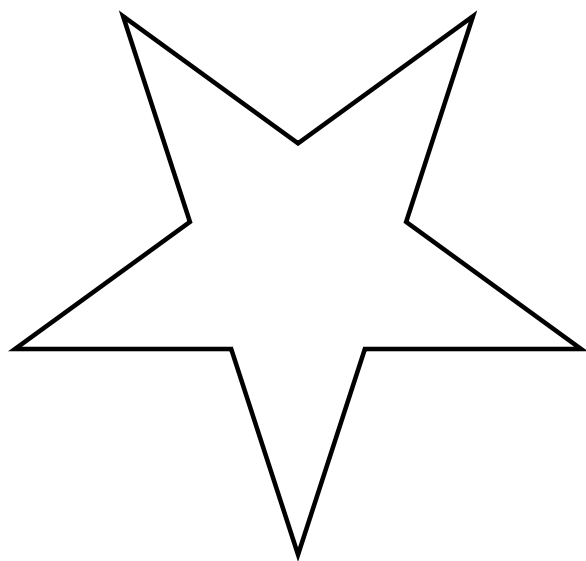

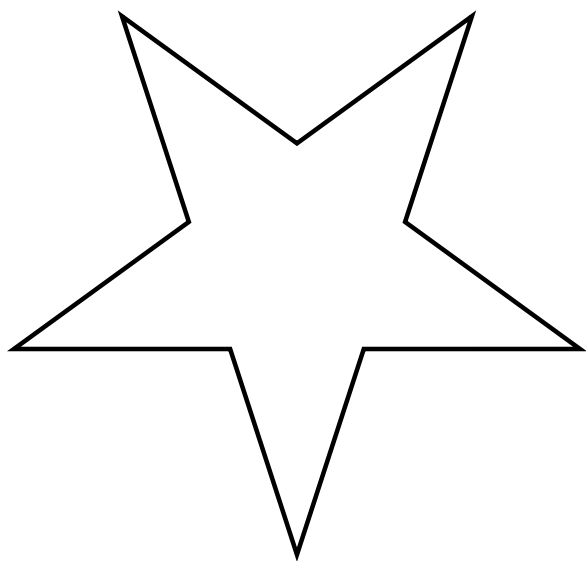

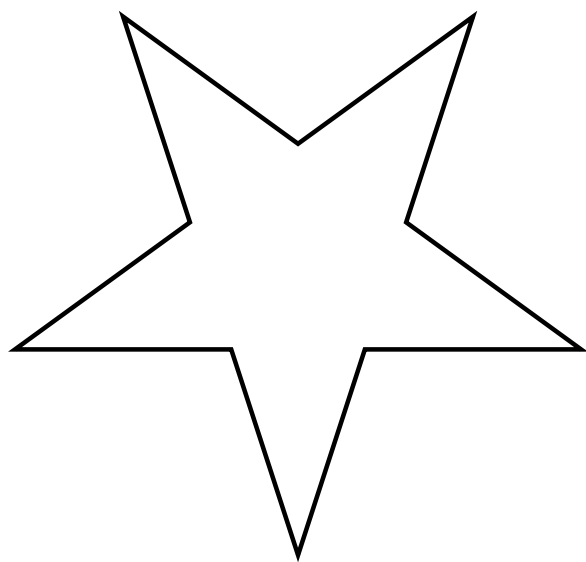

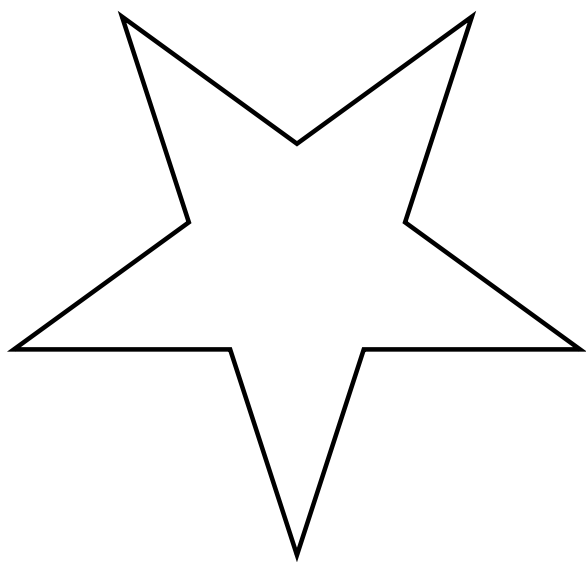

Print at 100% / Actual Size. Trace onto white craft foam, cardstock, felt, or adhesive vinyl.

Use this large star for oversized porch flags, pool noodle flags, signs, and patriotic porch decor.

# Large Star Cutout Templates - 4 per page

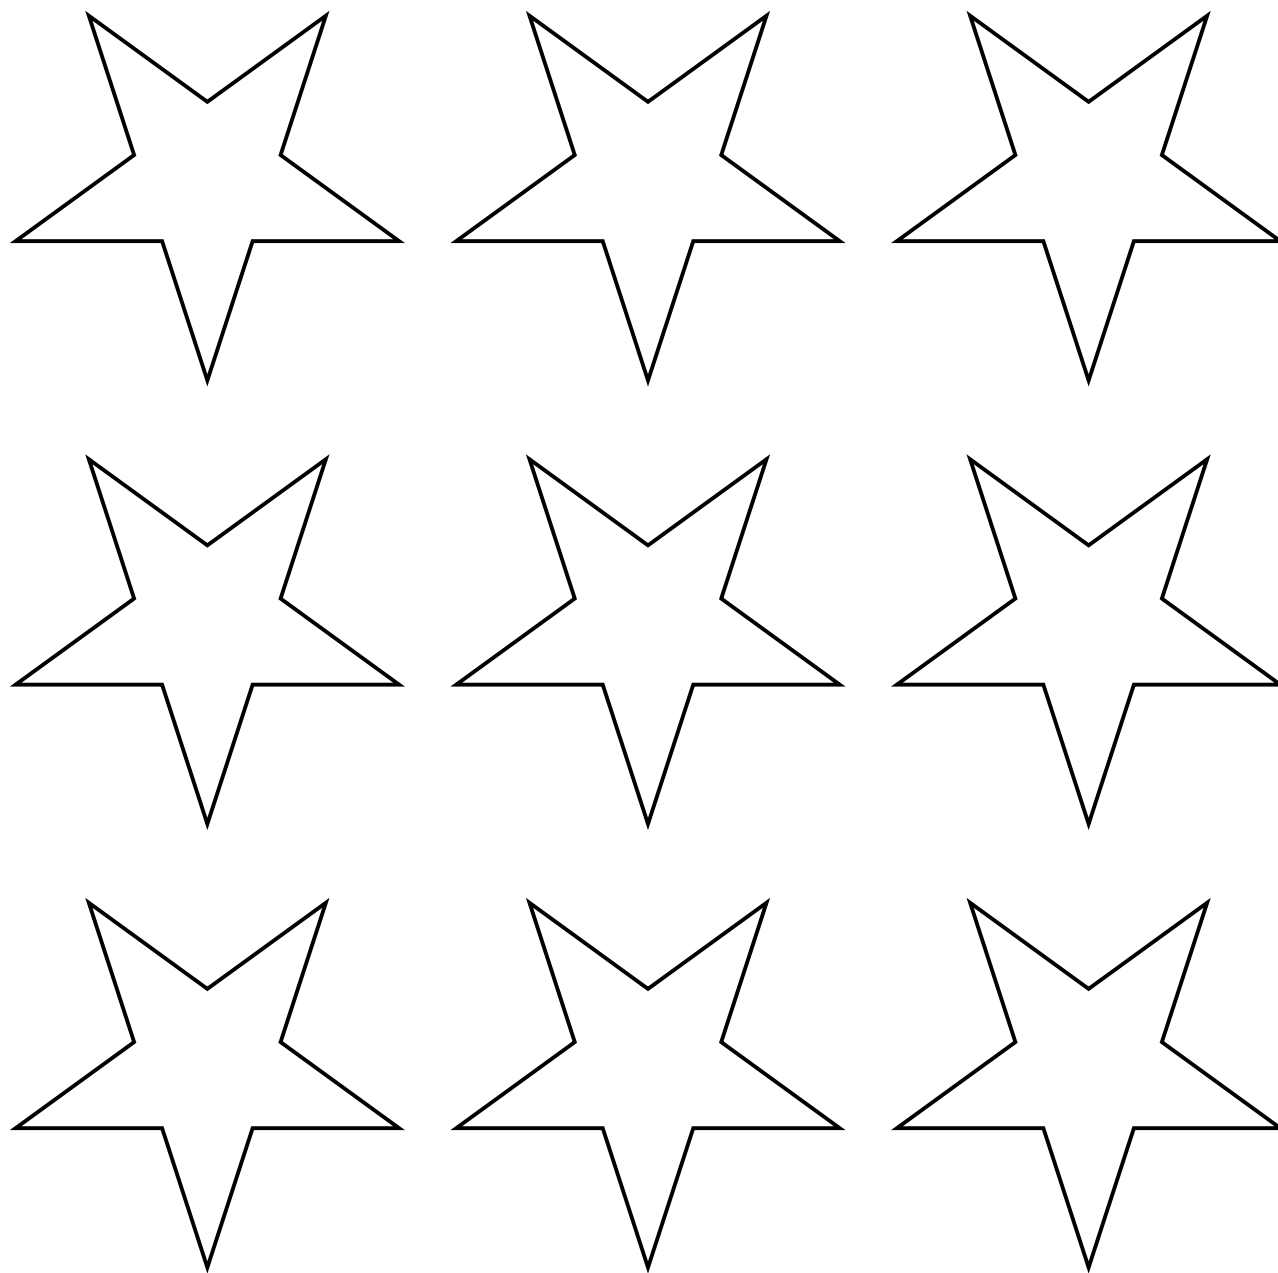

Cut apart, trace, and repeat for the blue field of a pool noodle flag.

Tip: print on cardstock for a reusable tracing template, then cut stars from white craft foam.

# Pool Noodle Flag Star Template - 9 per page

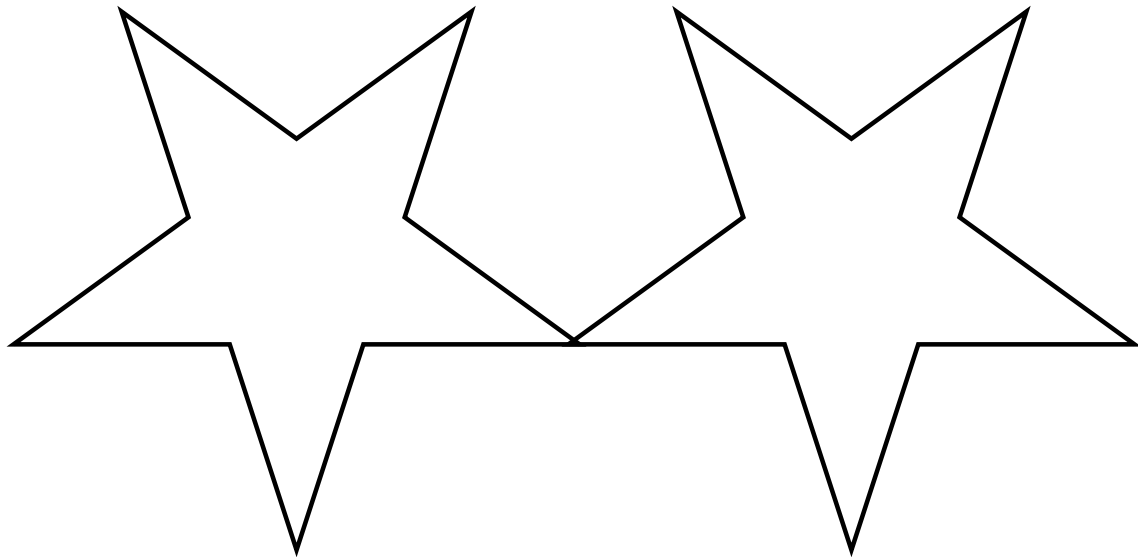

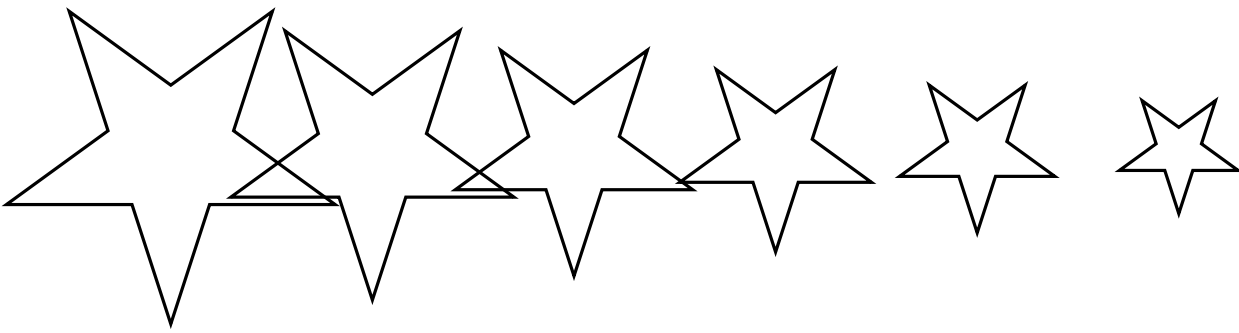

A practical size for chunky pool noodle flag stars and patriotic craft projects.

For outdoor use, cut from craft foam or vinyl and attach with foam-safe outdoor adhesive.

# Reusable Star Tracing Strip

Use these sizes for borders, extra accents, mini bunting, and porch-planter details.

Printer-friendly black outlines. For best results, print on cardstock and cut just outside the line.
